

## Pro-Am ADVANCED RULES

A Pro-Am couple consists of a professional partner and an amateur partner dancing together. Your professional acts as your coach, partner and mentor. Together you can partake in Pro-Am competitions based at the level of the amateur dancer, in this case Advanced level where it is only the amateur being judged. Male Teachers can take on the follower's role and Female teachers can take on the lead role, this must be stated on the booking form.

Couples will dance to music chosen by Blackpool MJ Champs.

Judging will be based on a points system. Points will be awarded for Style, Musical Interpretation, Presentation and Technique relevant to that of an intermediate dancer. Male and Female amateurs will follow slightly different judging criteria and not be judged against each other. Please refer to Judging Criteria for more details.

This is a freestyle round where a definite lead and follow must be demonstrated.

*Air steps will not be allowed; You are permitted to do a move where both feet leave the floor as long as one foot remains below the waist of your partner - it would be counted as an air step if both feet were to be above the waist of your partner* Disqualification from the competition will be automatic should a couple attempt any Air steps.

70% of dancing must be recognisable as Modern Jive.

A Professional may not dance with more than 3 students per Category  
The Judges decision is final

This Category is open to all Advanced level dancers who have not entered any competition category higher than Advanced at Blackpool MJ Champs.
